

figS9 — Development-period conformal calibration sensitivity

NOT REPORTED for the 2021-2023 held-out window

Development-period figure (Stage-22 adaptive conformal, 2019-01-01 to 2020-12-24). Not a 2021-2023 result and not rendered from the conventional metrics CSV. See paper section 4.5 for the development-period split-CQR / block-max / delayed-ACI values.
