

Figure S9 — Development-period conformal calibration sensitivity

DEVELOPMENT-PERIOD EVIDENCE ONLY · not a 2021–2023 result

Development-period figure (Stage-22 adaptive conformal, 2019-01-01 to 2020-12-24). Not a 2021–2023 result and not rendered from the conventional metrics CSV. See paper section 4.5 for the development-period split-CQR, block-maximum and delayed-ACI values.
